RE: Letter of Recommendation

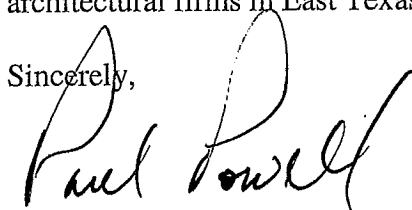

I am writing to recommend the Fitzpatrick.Butler Architectural Firm for consideration for Baylor's next building project. I have known Steve Fitzpatrick and Mike Butler for thirty years and followed their work in the East Texas area closely. They worked directly for me on a masterplan while I was pastor of the 10,000-member Green Acres Baptist in Tyler.

Through the years, they have been involved in the following projects:

- Green Acres Baptist Church Student Building
- Green Acres Baptist Church Children's Building
- Brookhill School
- Moberly Baptist Church Student Building
- UT Tyler Baseball/Softball Complex
- Tyler Jr. College Tennis Complex
- Salvation Army Center of Hope-Tyler
- East Texas Crisis Center
- FBC Tyler, South Campus

As you can see, they have had extensive experience in a variety of projects, and because of their character and integrity, they are one of the most respected architectural firms in East Texas.

Sincerely,

Paul W. Powell, Dean
