Dear Mr. Fitzpatrick:

Creative. Unique. Diligent. Original. Pleasant. These are only a few of the words that describe you and your firm.

Our construction project was not one of your bigger ones, but you and your team gave amazing personal service. At every step in the process, we were treated with the utmost concern and professionalism.

We take this opportunity to thank you for being our architects. We could not be happier. The building you helped create is truly a work of art.

With great fervor, we recommend Fitzpatrick Butler to any potential client.

With much gratitude,
